The Self-Funded Program through Allstate Benefits provides tools for employers owning small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. Allstate Benefits is a marketing name for: Integon National Insurance Company in CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in CO, WA and all other states where offered. For employers in the Allstate Benefits Self-Funded Program, stop loss insurance is underwritten by these insurance companies in the noted states.
