ABOUT US

The National Equipment Finance Association (NEFA) is a national trade association comprised of professionals serving the equipment leasing and finance industry. Our member companies are diverse and include independent and bank-owned lessors and funding sources, commercial finance brokers, specialty lenders, and various specialized service/product providers serving the needs of these equipment finance specialists.

NEFA's members are highly skilled in their fields and believe that working together to advance the equipment leasing and finance industry is incredibly important and best achieved by working collectively.

ONE PLATFORM. UNLIMITED POSSIBILITY.

Solifi's Open Finance Platform (OFP) is reshaping secured finance — giving lenders the power to scale, innovate, and deliver exceptional experiences across every stage of the lending lifecycle.

Whether you're modernizing operations, unifying data, accelerating credit decisions, or building new revenue streams, OFP provides the flexibility and real-time intelligence you need to stay ahead in a rapidly changing market.

With configurable modules, powerful automation, and a connected ecosystem of partners and integrations, Solifi ensures lenders can operate smarter, faster, and with confidence.
